Another Continuance—The preliminary hearing of "Doc" Shivers on a charge of rape was again continued yesterday afternoon on motion of Judge McCollum, his attorney, and it will be concluded at 4 o'clock this afternoon. The hearing of John Rose on the same charge will be held at 2 o'clock this afternoon.

Elks Installation—There will be an installation of the newly elected officers of Globe lodge of Elks Friday evening. Past Exalted Ruler H. F. Eblevin will conduct the installation.

Many Have Registered—Although registration for the coming city election was begun less than a week ago, there has so far been a phenomenal registration, over 900 voters having registered. It is expected that the final registration in the city will be almost as large as the entire county registration of two years ago.

Phelps Dodge Officials—W. F. Crane, comptroller of the Phelps Dodge company, Robert Rae, auditor of the company, and A. L. Hawley, general auditor of the El Paso & Southwestern railway company, arrived in the city last evening in a special Southwestern car attached to No. 10. They expect to spend several days in the city. Mr. Crane's headquarters are in New York, Mr. Hawley's in El Paso and Mr. Rae's in Douglas.

Icc Cream Social—The African M. E. church opposite the depot will hold an ice cream social Friday evening, to which a general invitation is extended. The proceeds will be used to assist in defraying the church debt.

Eight names will be selected from each ward and the four receiving the highest vote in each ward will be sent to the convention. The meeting last night was largely attended.

DAVIS TRIES TO SUICIDE AGAIN IN COUNTY JAIL

News of Supreme Court's Action in Affirming Sentence Too Much for Negro.

Discouraged by the news that the supreme court had affirmed the decision of the district court and that he would die on the gallows as sentenced unless the governor interceded, Henry Davis, the colored murderer, made another unsuccessful attempt to end his life by hanging in his cell in the county jail at 2 o'clock yesterday morning. Jailor George Porter, who was awakened by the struggles of Davis, handed a knife to one of the prisoners, who cut the rope by which Davis was hanging. The colored man was unconscious, but was soon revived.

Davis sent a lengthy communication to the Silver Belt yesterday in which he purported to give the facts of the killing of State Jones, for which he was convicted. In it he also attempted to justify his course in slaying Jones and also stated that witnesses at his trial testified falsely against him. It is generally believed here that Governor Kibbey will commute the death sentence to life imprisonment as most of the court officials have signed the petition which was sent to the governor.

CHECKS DRAWN ON TUCSON MAN N. G.

Local Business Men Furnish Supplies for Surveying Party and Get Left.

A number of local merchants are wondering where they are going to get the cash equivalent for checks in their possession, drawn on Phillip Contzen of Tucson, deputy United States mineral surveyor, by George G. Ehrenberg, a civil engineer who has been doing considerable survey work on government contracts in Gila county. It is said that numerous other checks for labor are also, for the time being at least, worthless.

Some of the checks upon which appeared an endorsement to present to the firm of A. Steinfeld & Co., Tucson, have been dishonored by that firm, owing to the fact that Mr. Contzen has no funds deposited with them.

Attempts have been made for several months to collect the checks, but thus far, they have been unsuccessful. On account of the manner in which the checks were contracted and for which the checks were given, ostensibly for government work or supplies for the government, the matter has been taken up with Delegate Mark Smith in Washington.

It is understood that Mr. Contzen took a number of contracts from the government, in which he has become heavily involved.

Notice.

Tomorrow night there will be a great event take place at the Salvation Army. Ensign West, who has been absent for three weeks past, will return. His welcome meeting will be on Friday night, when a concert with the children and a coffee supper will be given.

Kodol For Dyspepsia has helped thousands of people who have had stomach trouble. This is what one man says of it: "E. C. DeWitt & Co., Chicago, Ill.—Gentlemen—in 1897 I had a disease of the stomach and bowels. I could not digest anything I ate and in the spring of 1902 I bought a bottle of Kodol and the benefit I received from that bottle all the gold in Georgia could not buy. I still use a little occasionally as I find it a fine blood purifier and a good tonic. May you live long and prosper. Yours truly, C. N. Cornell, Roding, Ga., Aug. 27, 1906."
